Welcome to Medford Recreation

HOW TO VIEW THIS PROGRAM BOOK

As with many businesses, COVID-19 has required the department to adapt, become flexible, and change the way we provide services. We are happy and excited to continue offering programs this Fall but realizes our Fall/Winter plans will need to be adapted. This program book highlights all of the programs we will be offering this Fall. To help keep our patrons and staff safe, all programs will be located outdoors until November. For more details or course descriptions, please visit our website MedfordRecreation.org

COVID UPDATES

The Recreation Department is continuing to offer programs this Fall during COVID-19. To help keep our participants and staff safe, the following changes have been made to our Fall Programs.

1. Recreation will remain outdoors for all programs during the Fall.
2. Our office has temporarily moved to Tufts Pool (449 Main Street). Most of our programs will be meeting at Tufts Park (behind the pool) and pool bathrooms will remain open for our participants and spectators.
3. Fall Sessions will be one month only (4 classes).
4. We will have picnic tables and wifi will be available at Tufts Park for parents/guardians to continue working while their child is participating in one of our programs.
5. Instructors and Staff will be wearing face masks while teaching.
6. All recreation equipment will be sanitized at the end of each class before being stored in the bathhouse.
7. Bathrooms in the bathhouse will be frequently sanitized by recreation staff.
8. When coming into the Pool lobby, please wear a face mask.

Follow us on [Facebook@MedfordMARecreation](https://www.facebook.com/MedfordMARecreation) to receive the latest updates and new programs that might have missed our program book.

Registration Information

HOW TO REGISTER FOR PROGRAMS:

Online (preferred method):

Create an account on www.MedfordRecreation.org. Please allow up to 48 hours for your account to be approved. After approval, you may register for any Medford Recreation program online. Payment must be made by debit or credit card. Please note: there is a 3% charge on all online orders.

Phone In:

Due to COVID-19, we will be accepting registration over the phone. Please call the Recreation Office (781) 393-2486. You can pay by credit card over the phone or come to the first day of class with a check.

CANCELLATION:

During the School year, if Medford Public Schools are closed due to weather, Recreation programs will also be cancelled. All other closures of facilities and programs will be posted on the Medford Recreation website and Facebook page. When possible, email blasts will be sent out to the people effected by the closure. Please view our refund policy for when the Recreation Department will issue credits for when a class is cancelled due to inclement weather.

LOW ENROLLMENT:

All program enrollment unless noted in the description will be evaluated one week prior to the start of class. If a program needs to be cancelled due to low enrollment, you will be notified via email within six days of the start of class.

REFUND POLICY:

1. Programs under \$20 will not be refunded.
2. Six days prior to a program, the Recreation Department will assess participation numbers. If the minimum enrollment is not met, participations will be notified by email (email is sent to the address you have on your household account) the class is cancelled and will be issued a refund.
3. If a participant wishes to cancel a program, they will receive a credit to their account to be applied for a future Recreation activity. All credits must be used within one year.
4. To receive a full credit when cancelling a Recreation program, the participant must request to withdraw from the class within 7 days prior to the first class and must be in writing. Cancellation requests can be sent to medfordrecreation@medford-ma.gov.
5. Participants who cancel after 7 days, but before the first class, will receive a 50% credit to their account.
6. After the start of the first class, only credits will be issued for medical reasons.
7. Facility Memberships will not be prorated due to facility closures.

RESIDENT / NON RESIDENT POLICY:

Medford Recreation will offer programs and services that accommodate both residents and nonresidents. However, when services are in high demand, non-resident participation is not permitted. Programs and services that can accommodate nonresidents are assessed a non-resident fee above the resident rate. The increase percentage rate will be determined based on history of the program, program demand, and fair market value of the services.

For many of our programs, residency will be determined when creating a household account from the Recreation Department. With a Medford address as the permanent address, you will automatically be considered a resident. If you recently moved into the residency or another person has created an account already using the address, you will need to contact the Recreation Department to show proof of residency before creating an account. The Recreation Department reserves the right to ask the primary account holder to show proof of residency by presenting a current utility bill if necessary. With the high demand of Wright's Pond, residency is determined by presenting documentation each year. Property and business owners are not considered a resident if they do not live in Medford.
