COVID-19 Information

REFUNDS & CANCELLATION

We are excited to offer programs this Winter to help keep our residents active and socially healthy. With ever changing rules and guidelines by the state, the Recreation Department is continuing to offer shorter sessions to allow frequent changes to our programs and schedule. In the event programs need to stop continuing due to COVID-19, all participants will receive a credit to their household account that can be applied to a future program.

COVID UPDATES

To help keep our participants and staff safe, the following changes have been made to our Winter Programs.

1. Programs are limited to 10 people per class.
2. Only one class is scheduled in the gym at a time. The court will not be divided in half to help keep social distancing.
3. Classes will have a 30 minute break between for cleaning and disinfecting high touched surface areas.
4. Face masks must be worn at all times while in the Recreation Center. This includes spectators, participants and staff.
6. All recreation equipment will be sanitized at the end of each class before being stored.
7. Please help limit the amount of people in the building. Only one parent per child will be allowed in the building. For older children, we please ask you drop off at the door when possible.

Follow us on Facebook@MedfordMARecreation to receive the latest updates and new programs that might have missed our program book.

Registration Information

HOW TO REGISTER FOR PROGRAMS:

Online (preferred method):

Create an account on www.MedfordRecreation.org. Please allow up to 48 hours for your account to be approved. After approval, you may register for any Medford Recreation program online. Payment must be made by debit or credit card. Please note: there is a 3% charge on all online orders.

Phone In:

Due to COVID-19, we will be accepting registration over the phone. Please call the Recreation Office (781) 393-2486. You can pay by credit card over the phone or come to the first day of class with a check.

INCLEMENT WEATHER:

During the School year, if Medford Public Schools are closed due to weather, Recreation programs will also be cancelled. All other closures of facilities and programs will be posted on the Medford Recreation website and Facebook page. When possible, email blasts will be sent out to the people effected by the closure. The Department will attempt to add a make up date or will issue a credit to your household account that can be applied to a future class.

LOW ENROLLMENT:

All program enrollment unless noted in the description will be evaluated one week prior to the start of class. If a program needs to be cancelled due to low enrollment, you will be notified via email within six days of the start of class.

REFUND POLICY:

1. Programs under \$20 will not be refunded.
2. Six days prior to a program, the Recreation Department will assess participation numbers. If the minimum enrollment is not met, participations will be notified by email (email is sent to the address you have on your household account) the class is cancelled and will be issued a refund.
3. If a participant wishes to cancel a program, they will receive a credit to their account to be applied for a future Recreation activity. All credits must be used within one year.
4. To receive a full credit when cancelling a Recreation program, the participant must request to withdraw from the class within 7 days prior to the first class and must be in writing. Cancellation requests can be sent to medfordrecreation@medford-ma.gov.
5. Participants who cancel after 7 days, but before the first class, will receive a 50% credit to their account.
6. After the start of the first class, only credits will be issued for medical reasons.
7. Facility Memberships will not be prorated due to facility closures.
8. If programs need to be cancelled due to COVID-19, a credit will be added to your household account

RESIDENT / NON RESIDENT POLICY:

Medford Recreation will offer programs and services that accommodate both residents and nonresidents. However, when services are in high demand, non-resident participation is not permitted. Programs and services that can accommodate nonresidents are assessed a non-resident fee above the resident rate. The increase percentage rate will be determined based on history of the program, program demand, and fair market value of the services.

For many of our programs, residency will be determined when creating a household account from the Recreation Department. With a Medford address as the permanent address, you will automatically be considered a resident. If you recently moved into the residency or another person has created an account already using the address, you will need to contact the Recreation Department to show proof of residency before creating an account. The Recreation Department reserves the right to ask the primary account holder to show proof of residency by presenting a current utility bill if necessary. With the high demand of Wright's Pond, residency is determined by presenting documentation each year. Property and business owners are not considered a resident if they do not live in Medford.

Toddler & Preschool Programs and Activities
