HOW TO REGISTER FOR PROGRAMS:

Online (preferred method):

Create an account on www.MedfordRecreation.org. Please allow up to 48 hours for your account to be approved. After approval, you may register for any Medford Recreation program online. Payment must be made by debit or credit card.

In-Person:

After April School Vacation week, the Recreation Department will be moving their office to the Tufts Pool Lobby. Registration can be completed at Tufts Pool or Wright's Pond when it is open for the season. Times in May and June will vary. It is recommended you call ahead before visiting the pool for registration.

CANCELLATION:

During the School year, if Medford Public Schools are closed due to weather, Recreation programs will also be cancelled. All other closures of facilities and programs will be posted on the Medford Recreation website and Facebook page. When possible, email blasts will be sent out to the people effected by the closure. For programs that are scheduled to be located outdoors, Medford Recreation will attempt to move the programs inside during inclement weather. If an indoor location is not available, class will be cancelled. Please view our refund policy for when the Recreation Department will issue credits when a class is cancelled due to inclement weather.

CANCELLATION NOTICE:

When the Recreation Department cancels a program or closes a facility, we will attempt to notify participants via email. When creating a household account, you must select to opt into email notifications. When closures are unexpected, we will post an alert on the top page of our website (MedfordRecreation.org). The department recommends participants check our website when there is questionable inclement weather.

LOW ENROLLMENT:

All program enrollment, unless noted in the description will be evaluated one week prior to the start of class. If a program needs to be cancelled due to low enrollment, you will be notified via email within six days of the start of class.

REFUND POLICY:

1. Programs under \$20 will not be refunded.
2. Six days prior to a program, the Recreation Department will assess participation numbers. If the minimum enrollment is not met, participations will be notified by email (email is sent to the address you have on your household account) the class is cancelled and will be issued a refund. Please allow up to three weeks for processing. Refunds will be given via check and will be mailed to your home from the Treasury Department.
3. If a participant wishes to cancel a program, they will receive a credit on their account to be applied for a future recreation activity. All credits must be used within one year.
4. To receive a full credit when cancelling a Recreation program, the participant must request to withdraw from the class within 7 days prior to the first class and must be in writing. Cancellation requests can be sent to

Registration Information

1. Participants who cancel after 7 days, but before the first class, will receive a 50% credit to their account.
2. After the start of the first class, only credits will be issued for medical reasons.
3. Facility Memberships will not be prorated due to facility closures.

RESIDENT / NON-RESIDENT POLICY:

Medford Recreation will offer programs and services that accommodate both residents and non-residents. However, when services are in high demand, non-resident participation is not permitted. Programs and services that can accommodate non-residents are assessed a non-resident fee above the resident rate. The increase percentage rate will be determined based on history of the program, program demand, and fair market value of the services.

For many of our programs, residency will be determined when creating a household account from the Recreation Department. With a Medford address as the permanent address, you will automatically be considered a resident. If you have recently moved into the residency or another person has created an account already using the address, you will need to contact the Recreation Department to show proof of residency before creating an account. The Recreation Department reserves the right to ask the primary account holder to show proof of residency by presenting a current utility bill if necessary. With the high demand of Wright's Pond, residency is determined by presenting documentation each year. Property and business owners are not considered a resident if they do not live in Medford.

NEWSLETTER INFORMATION:

The Recreation Department releases a weekly newsletter about upcoming events, activities, and important dates. To receive our newsletter from Constant Contact, you must opt into email notifications from your household account.

Changing benches are available in the accessible bathroom stall.

BOSTON GLORY ULTIMATE CLINICS

Ultimate Frisbee is a rapidly growing sport in which teams score by completing a pass in their opponents' endzone. Incomplete passes or interceptions result in a reversal of play with the defense going on offense and vice versa. The game is known for its "spirit" which emphasizes fair play and good sportsmanship.

BOSTON GLORY

Boston Glory is one of 25 professional ultimate teams playing in the American Ultimate Disc League. Glory plays its home games at Hormel Stadium in Medford, and is pleased to be offering two weeks of summer clinics at Hormel in 2022.

PROGRAM

The clinics will be run by experienced ultimate players and will include visits by members of Glory. The program will include skill development and games in an environment intended most of all to be fun. The first clinic runs from **7/17-7/22** and will include an invitation to the 7/23 Glory game. The second clinic runs from **8/8-8/12** and will include an invitation to a potential home playoff game at the end of that week. Participants will receive a Glory disc and t-shirt. A minimum of 10 participants is required.

Length of clinic: 5 days, M-F

Suggested ages: Clinic 1: 8-12; Clinic 2: 10-15
